For entrepreneurs who are laying the groundwork for scalable growth.

This package is designed for businesses in the early stages of development, helping them define their direction and establish a strong foundation for future growth.

From €15,000

What's included:

Vision Development & Refinement

Deep dive into your business vision to ensure alignment with your core values and long-term goals.

Strategic Goal Setting

Define clear, measurable, and actionable goals that align with your business vision.

Market Research Overview

Research to understand your industry, competitors, and target market, with actionable insights for your next steps.

Actionable Next Steps

A roadmap of prioritized actions that will enable you to execute on your vision and reach your goals efficiently.

SWOT Analysis

A detailed analysis of your Strengths, Weaknesses, Opportunities, and Threats, laying the groundwork for strategic decisions.

1 Strategy Session with Our Experts

A one-on-one session with our senior strategists to refine your plan and approach.

Our Packages

Growth Momentum

For businesses that need to refine their positioning and systems for continued growth.

This package is for businesses beyond the startup phase looking to optimize operations, solidify their market position, and build systems for sustainable expansion.

From €25,000

What's included:

All Clarity Foundation services

Unique Selling Proposition (USP) Development

Refine what sets you apart in the market and clarify your value proposition to your target audience.

Pricing Strategy

Develop competitive and aligned pricing structures that reflect your brand value and target market.

Target Market Segmentation

Identify and define key customer segments to tailor your messaging and offerings to.

Scalable Process Development

Design efficient processes that enable you to scale without sacrificing quality or customer experience.

Brand Messaging Strategy

Create a persuasive messaging framework that communicates your brand's value and resonates with your audience.

Basic Systems & Workflow Optimization

Streamline core operational systems to ensure smooth and efficient daily operations as you scale.

3 Strategy Sessions

Monthly check-ins to review progress, adjust strategy, and keep the momentum going.

Our Packages

Strategic Expansion

For businesses that are ready to expand and refine their approach to new markets and broader operations.

This package supports businesses that have reached the growth phase and are now looking to refine their strategies for expansion into new markets or verticals, and strengthen their operational foundations for scaling.

From €35,000

What's included:

All Growth Momentum services

Strategic Roadmap Development

Detailed planning to help you align your expansion efforts with business goals and market demands.

Brand Amplification Strategy

Boost brand visibility and engagement through targeted strategies and media exposure.

Market Expansion & Diversification

Identifying and implementing strategies for entering new markets or adding new product lines.

Financial Systems & Management Setup

Ensure your financial systems are structured for growth, with budgeting, forecasting, and reporting.

Customer Experience Mapping

Develop a seamless, optimized customer journey to increase satisfaction and loyalty.

Project Management Frameworks

Implement a project management system to keep your expansion efforts organized and on track.

Performance Marketing Strategy

Build and execute a high-impact performance marketing plan to drive awareness and sales.

5 Strategy Sessions

Ongoing collaboration with our experts to monitor progress and pivot strategies as needed.

Our Packages

Elite Transformation

For businesses that need a complete transformation – from strategic direction to operational excellence, and everything in between.

This comprehensive package is ideal for businesses ready for a full-scale transformation, covering all aspects of the business – from strategy to execution, and from operational efficiency to leadership development.

From €45,000

What's included:

All Strategic Expansion services

Comprehensive Business Process Mapping & Optimization

Deep analysis of all operational processes, with a focus on removing bottlenecks and improving efficiency.

Full Financial Planning for Growth

Boost brand visibility and engagement through targeted strategies and media exposure.

Risk Management Systems Setup

Identify, assess, and mitigate risks to ensure your business can sustain growth even during uncertain times.

Ongoing Strategic Review & Adjustments (up to 6 months)

Continuous monitoring and adjustments to the strategy to keep your business on track.

Scalability Assessment & Execution

Ensure your business scales seamlessly by identifying key opportunities and challenges.

Dedicated 1-on-1 Consulting

Personal consultations with our senior experts to guide you through critical growth decisions.

Leadership Development & Team Scaling

Provide leadership coaching and develop your team to handle growth and scale.

Complete Performance Monitoring

with continuous feedback loops to track key metrics, optimize processes, and drive results.

10 Strategy Sessions

In-depth collaboration with our leadership team, including quarterly reviews, to ensure long-term success.

Achieving your business goals together.
